A Man From India's Coral Strand Stirs Up the Lutheran Synod.

The Next Synodical Session to Open First

Wednesday in June, 1891 UNDER THE CEDARS OF LEBANON, PA

The Lutheran Synod was again a very active body yesterday and business was rushed. After railroad certificates were signed, a resolution offered by Rev. Dr. Butler, congratulating Rev. F. W. Conrad, D. D., L. L. D., on the completion of his fittieth year in the ministry, and the completion and introduction into the church of his catechism,

Prof. E. J. Wolf called attention to the efforts of independent German Lutherans to affiliate with their English brethren. Rev. Dr. Springer, of Illinois, thought these independents had a right to set up a different form if they chose, and thought the Synod should enter into ecclesiastical correspondence with them. Rev. Dr. Courad was doubtful whether the German Lutherans would affiliate. Rev. Jacoby thought overtures should be made and Rev. J. P. Detwiler told of one congregation in Nebraska that could be brought into the Synod.

### HE WOULD BE ASHAMED.

Rev. Bell opposed making overtures, and said if such resolutions were put on the minutes he should be ashamed to go back and face his people in Cincinnati, as those Germans fought their English brethren in everything, The resolution was finally

As to the question of the common service and the union service, the following ex-pression offered by Revs. Gotwald, Albert and Dunbar was adopted:

and Dunbar was adopted:

That the paper placed in the hands of your committee is a memorial from the New York and New Jersey Synod asking that the common service as published by the Synod in the Book of Worship be changed in preface in some rubrical directions, in punctuation of the creed, and in position of the Lord's Prayer; in communion service in such way as to correspond exactly with the copy adopted by the joint committee. Our answer to this request is the recommendation that the common service, as printed in the Book of Worship, remain unchanged.

REV. SCHURE WANTS IT SETTLED. The case of Rev. Schure would not down. He had come all the way from India for satisfaction, and evidently pro-posed to have it Rev. Schwann moved to table the matter and sustain the Board of Foreign Missions. Rev. Dr. Orth objected a motion to table, and was vociferously ap-plauded and the matter was not tabled. After considerable discussion the resolution

to refer to a committee carried. The afternoon session was almost entirely devoted to hearing reports and appointment

The report of the Board of Publication was adopted and the following board appolated for the next two years: Revs. L. E. Albert, W. M. Baum, S. A. Holman, Eli Huber, W. H. Steck, F. W. Conrad, T. C. Billheimer, W. H. Dunbar, A. H. Studebaker, W. P. Evans, Messrs. Joseph Stulb, Theo. H. Smith, S. F. Stadelman, J. B. Downing, B. S. Kunkel, E. V. Richards,

C. A. Schieren, T. B. Patton, T. B. Stark and Arthur King.

Rev. H. L. Baugher reported that the manuscript of the new catechism was at hand, and that an edition would be printed at once and all pastors furnished with copies for examination, so that the Synod could take action at the next session.

### THE ORDER OF DEACONESSES.

The report of the Committee on Desconestablishment of a board to attend to the introduction of the order and education of trained nurses in this country. The report was accepted and Revs. L. E. Albert, F. W. Conrad, F. Springer, E. D. Weigle, G. U. Snyder, C. S. Wenner and G. P. Ockershauser appointed the board

asked for.

Revs. W. H. Dunbar, T. C. Billheimer,
N. M. Baum, H. S. Bauer and T. B. Patton were appointed to report at the next Synod upon the relation of Dr. Conrad's catechism

The place of meeting for the first Wednesday in June, 1891, of the Synod, was fixed

—A frightful storm prevailed in the Central part of Illinois Thursday night. For two hours the rain poured down in torrents and the streets were rivers of water. Thunder and lightning were unusually severe. CONSIDERABLE WORK WAS DONE.

—Governor Thayer, of Nebraska, has issued a proclamation offering \$400 reward for the arrest and conviction of the murderer of Caroline and Bessie Leavitt, who were so foully murdered in Seward county the other day. She states that he beat her and she shot him to save her own life. The New York, Pennsylvania and Ohio has made another big cut in iron rates. It is probable that it will cause trouble with the Eastern lines, as the cut is a deep one and is made for the benefit of the Pennsylvania manufacturers, being good from New Castle and Pulaski, Pa., to Eastern points, It will take effect June 27, succeeding the tariff of May 17.

—Sioux City, Iowa, was visited by a destructive storm of wind and rain vesterday. The wind blew at the rate of 60 miles an hour and the rain fell in torrents. A section of the viaduct of the new cable line on Jackson street was washed our and filled with mud. The new pontoon bridge sustained heavy loss. The heavy northwest wind, combined with rushing waters, snapped the cables holding two sections of the draw and the draws and toll-house were carried out. Sixty boats were carried out and soon broke apart. Huge piles of driftwood are stacked against the up-stream side of the bridge, and the damage will amount to several thousand dollars to the bridge company. Reports received from surrounding points show that the storm was general.

that the storm was general.

-Robert Howick and Benjamin Klinger, two wealthy and prominent farmers in Mercer county, Ohio, were instantly killed by lightning yesterday. Mr. Klinger, who was a Justice of the Peace in Hopewell township, was at Mr. Howick's farm, two miles north of town, when, a shower coming up the two men stepped into the stable nearby and leaned against the doorpost on each side. There was a flash and the two men fell to the floor without a groan or movement. Within four feet of them a boy was miking a cow. The animal was also killed, but the boy was only stunned. Mr. Klinger was one of the best known men in the county, for many years treasurer of the agricultural society and for six years County School Examiner.

—The news has been received of a brutal crime committed in what is known as "Judith county," arout 150 miles north of Helena, Mont. On Saturday last the body of a middle aged woman, who had been shot in the back, was found by a cowboy in a wild and unfrequented spot on Judith river. On Tuesday the bodies of two men, a 15-year-old girl and 3-6-year-old girl were discovered about 100 yards above the same place. All were shot in the back except the child, who was strangled. Nearby were found the remains of burned trunks and camp equipage. Everything by which the bodies might be identified was destroyed. Nobody in Judith county can recognize the bodies. They are supposed to have been a family of emigrants from Iowa or Illinois. The whole of Judith county is aroused and 100 horsemen are scouring the plains seeking the trail of the murderers.

#### They Might Have Been Saved.

John Barr, who was conductor on the Pullman car Chloris, which was attached to the unfortunate day express in the Johnstown flood, stated vesterday that he had warned Miss Jennie Paulson and Miss Bryant not to return to the car after the water rushed in on them, and he asserted that they would have been saved had his warning been heeded.

Hearing of the CUTICURA REMEDIES, I resolved to give them a trial, and purchased one bottle of CUTICURA RESOLVENT, one box of CUTICURA and one cake of CUTICURA SOAP. I followed the directions carefully, and it affords me much pleasure to say that before using two boxes of the CUTICURA, four cakes of the CUTICURA SOAP and one bottle of CUTICURA RESOLVENT I was entirely cured.

A part of the secretion that formed in her head was discharged through her nose, and a part dropped down the back part of het throat, and which, down the back part of het throat, and which, setting up an irritated condition in her lungs, produced asthma. She coughed, and her breath at times was very short. She had pains under her shoulder blades, and also over her eyes. Her appetite was very poor, and the little food she was able to eat gave her somach much distress and belching of gas, and every morning she would vomit up her foot. As has been stated, her breath was very thort, and every time she caught a cold she would have to be bolstered up in bed during the night in order to breathe. When she applie, last April, to the physicians of the Catairth and Dyspepsia Institute for treatment, the wheeking in her lungs could be heard all over the house. On May 24 she says "that my catairh and asthma have been entirely cured by the physicians of the Catairth and Dyspepsia Institute. I hereby sign my name.

SOAP and one bottle of CUTICURA RESOLVENT I was entirely cured.

In addition to my own case my baby boy, then about 5 months old, was suffering with what I supposed to be the same disease as mine, to such an extent that his head was coated over with a solid scab, irom which there was a constant flow of pus, which was sickening to look upon, besides two large tumor-like kernels on the back of his head. Thanks to you and your wonderful CUTICURA REMEDIES, his scalp is perfectly well, and the kernels have been scattered so that there is only one little place by his left ear, and that is healing nicely. Instead of a coating of scabs he has a fine coat of hair, much better than that which was destroyed by the disease. I would that the whole world of sufferers from skin and blood diseases knew the value of your CUTICURA REMEDIES as I do.

The CUTICURA SOAP and CUTICURA RESOLVENT are each worth ten times the price at which they are sold. I have never used any other toilet soap him y house since I bought the first cake of your CUTICURA SOAP. I would be inhuman, as well as ungrateful, should I fan to speak well of and recommend your CUTICURA REMEDIES to every sufferer who came in my reach. I have spoken of it, and shall con-
